Join Our Team as a **General Maintenance** employee at Peters Township Sanitary Authority.

Location: McMurray, Pennsylvania
Full-Time | Competitive Salary & Benefits

Are you a motivated individual who likes to work outdoors, thrives in a hands-on environment, and welcomes the challenge of troubleshooting and keeping operations online? The Peters Township Sanitary Authority (PTSA) is seeking a **General Maintenance** employee. This is an opportunity to build a career in an essential industry while helping protect public health and the local environment. The position works both independently and alongside other operational staff to operate, maintain and repair the equipment associated with wastewater treatment. PTSA operates and maintains (2) wastewater treatment facilities, (9) pump stations and the collection and conveyance system. The General Maintenance position is an entry level position with pathways to advancement with paid incentives for motivated individuals. The ideal candidate is mechanically inclined, safety minded, dependable, responsible, comfortable working with equipment and technology, and willing to learn and work across a variety of plant and collection system operations.

Key Responsibilities:

- Assist in the operation and maintenance of the treatment plants equipment and pump stations equipment (pumps, motors, blowers, valves, dewatering equipment, electrical control panels)
- Perform maintenance and repairs of collection and conveyance system utilizing a jetter / vacuum truck, robotic mainline sewer camera and backhoe
- Grounds maintenance of all PTSA facilities (snow removal, lawn maintenance)

Required Education, Skills & Abilities:

- High school diploma or equivalency
- Proven experience or certification in wastewater treatment operations or water treatment facilities is preferred but not necessary
- Mechanical aptitude and ability to safely use hand and power tools
- Strong work ethic, willingness to learn
- Critical thinking ability to troubleshoot malfunctioning or faulty equipment
- Possess or obtain a PA Class B commercial driver's license (CDL) with airbrake and tanker endorsements
- Ability to walk, climb, stand, bend, and work outdoors in inclement weather

Position Details:

- Full time, union position, Monday-Friday 7:00-3:30pm, 5-6 scheduled weekend rotations per year and rotating holidays
- Occasional on-call and after-hours emergency callout duties
- Benefit package includes healthcare, vision, dental, pension, paid holidays, and paid time off
