Sealed bids shall be accepted online through the PennBid Program. Bidding Documents and solicitation details may be viewed and available at no cost online by registering at www.PennBid.net. Following registration, complete sets of Bidding Documents may be downloaded as portable document format (PDF) files. The date that the Bidding Documents are transmitted by the Issuing Office will be considered the Bidder’s date of receipt of the Bidding Documents.

Bid security in the form a Certified Check or Bid Bond shall be furnished with each bid in an amount not less than 10%.

All questions about the meaning or intent of the Bidding Documents are to be submitted via the PennBid Program in accordance with the Instructions to Bidders. Telephone inquiries are unacceptable.

All bids shall remain subject to acceptance for 120 days after the bid opening date as provided by the Act of November 26, 1978 (P.L. 1309, No. 317), as amended by the Act of December 12, 1994 (P.L. 1042, No. 142).

Bidders must comply with all State antibid-rigging regulations pertaining to Work associated with these Projects, and will be required to submit an executed non-collusion affidavit with the bid.

These Projects are being financed in-part by the Pennsylvania Infrastructure Investment Authority (PENNVEST) and all requirements of that funding shall be met.

The estimated cost of these Contracts is such that Federal Davis-Bacon Act shall apply.

Bidders should refer to provisions of federal and state statutes, rules and regulations dealing with the prevention of environmental pollution and preservation of public natural resources that affect the Project, said provisions being pursuant to Act No. 247 of the General Assembly of the Commonwealth of Pennsylvania, approved October 26, 1972.

These Projects falls under The Commonwealth of Pennsylvania enacted Act 127 of 2012, known as the Public Works Employment Verification Act ('the Act') which requires all public work contractors and subcontractors to utilize the Federal Government's E-Verify system to ensure that all employees performing work on public work projects are authorized to work in the United States. All Bidders are required to submit a Public Works Employment Verification Form as a precondition for the Contract Award.

These Projects may be federally funded by EPA financial assistance dollars, and therefore, requires all Contractors to demonstrate compliance with federal Executive Orders 11625, 12138, and 12432 and EPA Regulations at 40 CFR Part 30, et al., through the detailed documentation of solicitation of Disadvantage Business Enterprises (DBEs). Contractors must demonstrate the Six Good Faith Efforts to identify and solicit DBE firms that are potential sources for any procurement action in the areas of project construction, equipment, services, and supplies by including state qualified small businesses, and minority and women owned business enterprises in the bidding process.

All bidders are hereby notified that in regard to any Contract pursuant to this advertisement, businesses will be afforded full opportunity to submit bids in response to this notice and will not be subjected to discrimination on the basis of gender, race, color, creed, sex, age, physical disability or national origin in consideration for an award. Similarly the Successful Bidder shall in no manner discriminate against or intimidate any employee involved in the manufacture of supplies, the performance of Work, or any other activity required under the Contract on account of gender, race, creed or color.

The Peters Township Sanitary Authority reserves the right to waive any defects, errors, omissions, mistakes, informalities, to accept any bid or combination of bids that are deemed to be in the best interest of the Peters Township Sanitary Authority, and to reject any or all proposals.
